

INFO SHEET

Performing Arts & Music Storage

By incorporating well-planned storage systems into your performing arts and music programs, Spacesaver can maximize your storage capacity, create a clean, organized space for students and faculty and accommodate future growth.

MOBILE STORAGE

The versatility of Spacesaver mobile systems makes it possible to mount virtually any type of storage housing on our mobile carriages, including your existing shelving and cabinets. Mobile storage can eliminate up to 50% of your current storage space, or you can double your storage capacity within the same footprint.

- Powered, mechanical-assist and manual styles
- Available with a broad array of safety features and programmable functions.

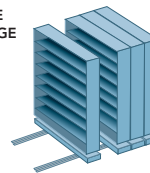

4-POST & CASE-TYPE SHELVING

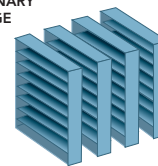

Designed to adapt to both stationary and mobile storage applications, Spacesaver 4-post and case-type shelving offer you a comprehensive choice of options. To enhance their functional utility, individual shelving units can be equipped with frame mounted doors, drawers, bins, as well as a broad array of storage accessories, accommodating a wide array of media formats.

- Easy installation - self-locking shelf supports, no special tools or fasteners are required.
- Design options - range of colors, panel materials and finishes

MOBILE STORAGE

STATIONARY STORAGE

Unlike traditional file cabinets, our hanging sheet music filing system is designed to bring efficient document management in less space.

Innovative storage solutions to store props, costumes, hanging garments, makeup, costume-making supplies, and set construction tools.

ACTIVRAC MOBILIZED STORAGE

ActivRAC is an ideal solution for large brass, string and percussion instruments or large set props that require special handling and require diverse size restraints. The system is designed to maximize current storage space without the challenges of overcrowding and storage expansion.

- Increase storage capacity up to 50% without adding more square footage
- Accommodates load capacities up to 7,000 lbs. with unrestricted lengths
- Systems available in electric-powered or mechanical-assist
- Designed to work with new or existing racking and shelving

GEAR LOCKERS

Spacesaver modular lockers storage solution are available in a broad selection of sizes and configurations to meet your specific needs. Ideal for instrument storage or individual lockers.

- Durable all steel construction
- Textured powder coat paint – variety of colors
- Stainless steel lock plate and handle with locker number plaque
- Available sizes: Widths: 12", 18", 24", 30", 36"
Depth: 24"
Heights: 72", 84", 90"
- Three lock types available: Hasp only (for pad lock), keyed, or combination
