

PRODUCT OVERVIEW

Versatility is the hallmark of the Model 238. One of Viking's most popular cabinets, the large-capacity Model 238 offers a full 68.9 cubic feet of storage and can house virtually any type of collection. Exceptional craftsmanship and a remarkably flexible design make the Model 238 easy to customize to suit your needs by selecting from a wide range of options, including visual doors that provide immediate visibility of the cabinet interior.

APPLICABLE COLLECTIONS | ● Art ● Historical ● Natural

The Spacesaver Corporation has expanded its museum storage offerings with the acquisition of Viking Metal Cabinets. This union has simplified and improved the client experience by making Spacesaver a one-stop-shop for the design, installation, and maintenance of metal museum cabinets, shelving, and compact storage systems. The companies have previously worked together at prestigious institutions such as the Smithsonian Institution, Yale University, and the Field Museum of Natural History.
