

PRODUCT OVERVIEW

For Solander Boxes, or any box capable of supporting its contents on angular side supports, Viking's Model 323 open style frame is ideal, and can be configured to accommodate virtually any size box. In a room where "sealed" cabinets are not required, this carefully crafted design offers exceptional value, while at the same time organizing your collection.

Three convenient pullout work shelves included.

APPLICABLE COLLECTIONS | ● Art ● Historical ● Natural

The Spacesaver Corporation has expanded its museum storage offerings with the acquisition of Viking Metal Cabinets. This union has simplified and improved the client experience by making Spacesaver a one-stop-shop for the design, installation, and maintenance of metal museum cabinets, shelving, and compact storage systems. The companies have previously worked together at prestigious institutions such as the Smithsonian Institution, Yale University, and the Field Museum of Natural History.
