

PRODUCT OVERVIEW

The Viking Model 402 flat-drawer cabinet features a convenient stackable design that helps you make the most of your floor space—or, if stacked two units high, provides a useful extra working surface.

This high-quality, well-constructed cabinet comes complete with six 2" drawers.

Shown with optional heavy-duty base.

The Spacesaver Corporation has expanded its museum storage offerings with the acquisition of Viking Metal Cabinets. This union has simplified and improved the client experience by making Spacesaver a one-stop-shop for the design, installation, and maintenance of metal museum cabinets, shelving, and compact storage systems. The companies have previously worked together at prestigious institutions such as the Smithsonian Institution, Yale University, and the Field Museum of Natural History.
